The City of North Plains would like to provide the opportunity for community members to join us and engage in a conversation about the existing and future transportation system and what the community envisions the system to look like in 20 years.

Join us on March 21st to hear about the TSP update and to share your ideas for the transportation system.

Come Discuss
- Existing Transportation System
- What the future or North Plains holds
- How you see your community in the next 20 years

Join us!
- March 21st
- 6:00-8:00pm
- Senior Center
